

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.cpg.org/mtdocs or call (800) 480-9967. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at www.cpg.org/uniform-glossary or call (800) 480-9967 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible ?	<u>Network</u> : \$1,500 Individual / \$3,000 Family <u>Out-of-Network</u> : \$3,000 Individual / \$6,000 Family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , the overall family deductible must be met before the plan begins to pay. The network and out-of-network deductibles accumulate separately.
Are there services covered before you meet your deductible ?	Yes, for example, certain COVID-19 expenses.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. See a list of preventive services at healthcare.gov/coverage/preventive-care-benefits .**
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	<u>Network</u> : \$2,400 Individual / \$4,800 Family <u>Out-of-Network</u> : \$4,800 Individual / \$9,600 Family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , the overall family out-of-pocket limit must be met. The network and out-of-network out-of-pocket limits accumulate separately.
What is not included in the out-of-pocket limit ?	Contributions, (premiums), balance-billing charges, penalties, and healthcare this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.anthem.com or call (844) 812-9207 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

COVID-19 Evaluation, Testing and Treatment, and Telehealth Services: The Medical Trust will waive all copays, deductibles, and coinsurance for its members for healthcare services relating to the evaluation and testing for COVID-19. In addition, the Medical Trust will waive all copays, deductibles, and in-network coinsurance for its active members for healthcare services relating to the treatment of COVID-19. The Medical Trust will also waive all copays and coinsurance after deductible for all telehealth services received through its third-party administrators' telehealth platforms. The Medical Trust will also allow claims for virtual visits with network and out-of-network providers who do not use a telehealth platform offered by Anthem Blue Cross and Blue Shield, but standard deductibles, copays, and coinsurance will apply.

Your Rights to Continue Coverage: The Plan's Extension of Benefits program is similar, but not identical, to the healthcare continuation coverage provided under Federal law (known as COBRA) for non-church plans. Because the Plan is a church plan as described under Section 3(33) of ERISA, the Plan is exempt from COBRA requirements³. Nonetheless, subscribers and/or their enrolled dependents will have the opportunity to continue benefits for a limited time in certain instances when coverage through the health plan would otherwise cease. Individuals who elect to continue coverage must pay for the coverage. Call (800) 480-9967 for more information.

Your Grievance and Appeals Rights: There are agencies that can help if you have a complaint against your [plan](#) for a denial of a [claim](#). This complaint is called a [grievance](#) or [appeal](#). For more information about your rights, look at the explanation of benefits you will receive for that medical [claim](#). Your [plan](#) documents also provide complete information on how to submit a [claim](#), [appeal](#), or a [grievance](#) for any reason to your [plan](#). For more information about your rights, this notice, or assistance, contact Anthem Blue Cross and Blue Shield or Express Scripts, as appropriate.
