

# Supply Priest List

## The Episcopal Diocese of Central New York

as of February 19, 2019

*Supply priests are available to take services for up to four weeks in a given congregation. No cleric is to serve for a longer period in a given congregation unless approved by the Bishop.*

*A supply priest is retained on a per diem basis. A supply priest's sole duties are to officiate at liturgies in regular worship services, funerals, and weddings and to provide specified pastoral care. Wardens and vestry remain "in charge" of the congregation. If a priest is not canonically resident in the Diocese, he/she/they must have a license to officiate in order to supply. A priest who supplies for a church that is in the search process cannot be eligible to become rector or priest-in-charge of the parish.*

One service \$130

Two services same day \$155

Three services same day \$180

Pastoral/Admin Care \$55 per hour

Plus travel reimbursement at the current IRS rate (58 cents per mile in 2019).

### Long-term Supply Work

If a parish enters an agreement with a priest to do long-term supply work, the Bishop requires a Letter of Agreement be negotiated to cover this agreement. A template is available at [cnyepiscopal.org/compensation-benefits](http://cnyepiscopal.org/compensation-benefits).

### Pension Requirements

If (1) you are a deacon, priest, or bishop who is canonically resident in any diocese of the Episcopal Church, (2) your employer is subject to the authority of the Church (or is associated with the Church and has elected to participate in the Clergy Pension Plan), and (3) your employer is located in a domestic diocese of the Church, you must participate in the Clergy Pension Plan if you are:

- Expected to be regularly employed (as explained below) for five or more consecutive months by the same employer; and
- Compensated by your employer.

You will be treated as regularly employed if you meet one of the following requirements:

- You have a letter of agreement (or other contract of employment) with your employer
- You are duly called to your position by your bishop, vestry, or rector
- Your position has a formal title (for example, rector or priest-in-charge) indicating an ongoing substantial relationship with your employer
- Your employer issues you a Form W-2 (or equivalent)
- You are scheduled to work at least 20 hours per week.

Please complete the "Employment Change Form" available at [cpg.org/active-clergy/retirement/protect-your-benefits/](http://cpg.org/active-clergy/retirement/protect-your-benefits/)

## Lay Preachers and Worship Leaders

### *Trained laypeople who can preach and lead worship*

*It is expected that a lay preacher called to preach and/or lead worship would receive the current non-charitable IRS rate for their mileage (58 cents/mile for 2019). It is acceptable, but not required, for a parish to offer an honorarium not to exceed \$100.*
