SHARING OUR LEARNING

Sharing Our Stories – What We Did and What We Learned

What did we learn?

- What did we learn from failing?
- Where did we discover new energy?
- How is God inviting us into the neighborhood?

What new questions do we have now?

How might God be leading your team to move forward in light of what you learned through this experiment?

WHAT MIGHT GOD BE LEADING US TO DO NEXT?

And HOW CAN WE JOIN IN?

WHAT MIGHT GOD BE LEADING US TO DO NEXT?

We need to ask “God questions” of the work you have done so far.

- Where did you notice God’s presence and activity in your listening work?
- How might God have been present in the midst of your action learning experiments?
- As you share your stories and listen to others, is there any way God might be leading you to take another step?

WHAT MIGHT GOD BE UP TO?

And HOW CAN WE JOIN IN?
