

## **Narrative for St. Ann's (Afton), St. Paul's (Oxford) and Zion (Greene)**

Our three parishes have shared a priest successfully for about twelve years from 2011 to 2023. The percentage of time spent by clergy at each parish was Zion-40%, St. Paul's-35%, and St. Ann's-25%. As we search for a priest to serve our three parishes, we hope to find someone who can provide the same commitment. At our first meeting in July of 2023 to discuss the transition process, it was clear from those present that the relationship between our parishes is strong. And, we continue to have a positive influence in our communities through outreach and other programs. As we begin the search process and pray for guidance, it is our hope that we can find a priest who feels called to be a part of this journey with us.
